We offer many benefits:

- Competitive Salary
- Flexible Schedules
- Paid Time Off
- Health Insurance
- Dental Insurance
- IRA with Match
- Continuing Education Memberships
- FAMLI Leave
- Access to Reduced Costs for Pet Supplies and Medications
- Workers Comp

Walking Paws Rehab is a pioneer in the rehab space offering an expertise in diagnosing injuries and providing innovative treatment plans with proven outcomes for patients of many conditions. Services extend to blood work, medications, radiographs, and diagnostic ultrasound. We also perform orthotics, prosthetics, and wheelchair fittings and emphasize quality of medicine over quantity. Our mission includes elevating our practitioners through ongoing training, collaboration, and continuing education. We do twice weekly case rounds and regular team meetings/events. If you are interested in developing your career with a supportive team that prioritizes best-in-class patient care, a sustainable caseload, and ongoing professional development - then apply to Walking Paws Rehab today!

Practice medicine that feels good!
