

Let your graduate know how proud you are by placing a congratulatory ad in the 2023 Cedar Drive Middle School graduation program. These ads are a great way to celebrate our graduates' hard work, and they make great keepsakes.

Full or half-pages are available, and pictures may be included (jpg format, 300 dpi works best) along with a special message to your graduate.

- **\$25: Half-page Congratulations (B&W, with or without 1 photo)**
- **\$50: Full-page Congratulations (B&W, with or without up to 3 photos)**

We also offer a Shout-Out section just for students. The students may want to wish each other well as they go off to high school or to thank their favorite teacher. Faculty/staff may also use this section to congratulate their students.

- **\$1: per 25 characters: Student/faculty shout-outs**
