

Dear 8th Grade Parents,

This is an exciting year for our 8th graders and before we know it, we will be celebrating their graduation and transition to high school!

Traditionally, a montage of photos from kindergarten through 8th grade is prepared and presented to the students at their 8th grade dance. The montage is then sent to all students as a gift from the PTO. This year I will be spearheading this project and I need your help.

In the months ahead I will be compiling, sorting, and arranging digital photos to document the students' last nine years of school. Of course, I will do my best to make sure every student is included in the montage. To ensure that this goal is achieved, we are asking for your help. Please send us *at least* two photos of your child. Please keep in mind that the photos **MUST BE SCHOOL RELATED** and **group photos** work best because there are over 100 students in the graduating class.

For example, please look for any photos from:

Class Parties, Class Trips, Field Day, Halloween Parade, Band or Choir Performances, School Sports (baseball, basketball, soccer, or track), PTO event or any other School Function. If you were a class volunteer, we would appreciate any group photos you may have!

Please:

- Email photos to Classof2026@coltsneckpto.org.
- Include your child's name and the school event/school year when the photo was taken.
- Please **do not** send professional photos as these cannot be included in the montage.

Submission deadline is **May 1st, 2026**

Thank you!

Theresa Romano
