Hello, Friends and partners in the Gospel.

Thank you for considering partnering with us to mobilize your church and ministry network to be a part of the Go Movement this May. We all agree the world desperately needs the hope of the Gospel. May is our time to see the spread of the Gospel accelerated, leading to making disciples who make disciples.

Here a examples of how you can invite you network to be a part of the GO Movement this May:

> **Mentor example:** WEA Pentecost 2023: Global Move of Prayer and Evangelism. by Samuel Chaing of the World Evangelical Association (WEA) recently sent an invitation to their member churches, 600 million Christians worldwide.

**Will you join them by inviting your network to be a part of this catalytic time?** To help you share it with others, here are some talking points. Choose what works best for you and include a personal call to action.

**The basics:**

- **May is GO Month**, a time to get equipped and to pray, care, and share our faith. This month also includes featured events that we can participate in as a global movement.
- GO Guide: (in process)
- The **Global Upper Room Prayer** will take place from **May 18 to 27**, with ten days of prayer. Inspired by the 120 followers of Jesus in the Upper Room after His ascension, we pray for the Harvest during the ten days, with the goal of inspiring 120 million people to do the same.
- On **GO Day**, which falls on **Saturday, May 27**, Jesus-followers everywhere will come together to pray and share in the power of the Holy Spirit. We encourage everyone to share their faith with someone on this day, as we draw inspiration from Acts 1:8.
- **Sunday, May 30, is Global Church Planting Day,** Global Church Planting Day, which is celebrated on Sunday, May 28, is an opportunity for us to inspire and equip churches to start groups and plant churches where there is a need for one. This day marks the birth of the Church, and we can celebrate it by working towards expanding its reach.
- This year, we are kicking off the **GO Decade** of collaboration for the Great Commission during Pentecost weekend. The idea is that everyone is reaching someone, and together we can reach the world by 2033. We will have a live broadcast from Israel, and more details will be announced soon.

- Everyone can PRAY! Pray for and with people who are far from God.
- Everyone can CARE! Being mindful to demonstrate the love of Christ.
- Everyone can SHARE! Acts 1:8 witnesses of the transforming power of Gospel.
- As we pray, as we care, let's ask God to open doors for us to lovingly and appropriately share the Gospel with at least one person during the month of May.

- The Motto: Everyone can reach someone, and together we can reach the world!

**Additional talking points.**

- Jesus's final instruction to His disciples before ascending to Heaven was the Great Commission, calling them to make disciples of all nations.
- The Great Commission has become the foundation for evangelism efforts worldwide, including the "GO" Movement, which serves as a catalyst for evangelism and collaboration.
- May is a time for believers to increase their commitment to prayer, care, and sharing the Gospel.
- The Ascension of Christ is a significant event that is often overlooked, but this year we are giving the opportunity for believers to unite in prayer and to follow the example of the 120 disciples who assembled in the upper room.
- Pentecost 2023 marks the beginning of a decade of prayer, evangelism, and discipleship, with the goal of seeing that everyone, everywhere having the opportunity to hear the Gospel, be discipled and make disciples.
- This decade of prayer and collaboration is becoming a focus of numerous organizations and collaborations working towards specific Great Commission finish lines for 2033, the 2000th anniversary of the church.

  For those active in evangelism: #GoOneaDay challenge
- The GO One-a-Day Challenge is simply to ask God to open doors for us to share the Gospel with at least one person every day during the month of May.
- Commit to the GO One-a-Day challenge and invite 10 others to join you. Encourage one another through testimonies of what God is doing as your pray and share each day.
- Everyone can participate in the challenge by praying for and with people who are far from God, demonstrating the love of Christ, and sharing the transforming power of the Gospel.
- The challenge for leaders is to mobilize believers for GO Day and to invite people in your ministry and personal network to participate in the challenge.
