

PRAYER AT THE HEART

SPIRITUAL AWAKENING

As one of America's prayer leaders, the team needs your help. I believe it's important that you hear what is taking place across the nation and, of course, we need your prayers for PATH. PATH is partnering with the nation's pastors and churches, denominational and nondenominational, the First Nations, and numerous ministries, including Gen Z and Millennials. The goal? - a tsunami of God's presence across America and around the world. Our prayer is for a tithe - for 33M precious people to receive Christ and for a mighty transformation of America. Last year's national gathering will move to 50 states, then to thousands of counties and cities. Many states are already planning their PATH events and Texas is starting their initiative in a few weeks, with a mass gathering in Brady on April 9th. Join us to hear what is happening across America, what is taking place in your state, and how you can get involved.
