**PRAYER AT  
THE HEART**

A MOVEMENT OF HOPE

# PRAYER AT THE HEART

*“If my people, who are called by my name,  
will humble themselves and pray and seek  
my face and turn from their wicked ways, then  
I will hear from heaven, and I will forgive their  
sin and will heal their land” (2 Chron 7:14).*

## Mission

*To ignite a great awakening out of a national movement  
of unified, humble, desperate prayer.*

The movement started in 2021 with:

- 2 national virtual prayer meetings each being viewed by >100,000 people;
- A national prayer guide being downloaded by >250,000 in 24 hours; and
- Thousands of Christians from all 50 states travelling to the heart of the nation (Lebanon, KS), praying for another great awakening. 12.5 million people viewed the event on TV or social media!

“Prayer  
at the heart in  
every state in  
2022. A grassroots  
awakening”

# Vision and Strategy 2022-24

- Support and serve existing national prayer initiatives using our twice weekly podcast targeting 25 million people.
- Millions of Christians from across all churches and ministries working together in all 50 states to:
  - Hear from God for their communities through Rooftop encounters;
  - Publicly cry out to Almighty God for mercy and another great awakening;
  - Travel across each State praying for the people and sharing God's love and hope in practical ways; and
  - Gather together at the geographic center of each State to celebrate God's goodness and to praise and worship Jesus.
- In 2023-24 to grow the movement to every county and city across America.
- The fruit to be 10% of the population (33million people) making a first or recommitment to Jesus Christ.
