## ISAIAH 6:1-8

*In the year that King Uzziah died I saw the Lord sitting upon a throne, high and lifted up; and the train of his robe filled the temple. Above him stood the seraphim. Each had six wings: with two he covered his face, and with two he covered his feet, and with two he flew. And one called to another and said: "Holy, holy, holy is the Lord of hosts; the whole earth is full of his glory!" And the foundations of the thresholds shook at the voice of him who called, and the house was filled with smoke. And I said: "Woe is me! For I am lost; for I am a man of unclean lips, and I dwell in the midst of a people of unclean lips; for my eyes have seen the King, the Lord of hosts!" Then one of the seraphim flew to me, having in his hand a burning coal that he had taken with tongs from the altar. And he touched my mouth and said: "Behold, this has touched your lips; your guilt is taken away, and your sin atoned for.*

**And I heard the voice of the Lord saying,  
"Whom shall I send, and who will go for us?"  
Then I said, "Here I am! Send me."**

## 2019 Great Lakes Association Missions Conference Fundraising Project Goal : \$25,000

**NAB in Russia / Ukraine:** Our partnership with the Moscow Theological Seminary (MTS) provides a win-win relationship. NAB has pastors and leaders with great experience and training and MTS has students at ten campuses across nine time zones who would benefit from consultants. Gary Clatterbuck is our NAB liaison, coordinating the needs of MTS with the resources of NAB. Gifts to NAB Russia go toward sending pastors to teach at the seminaries and in support of the seminaries themselves.

**REACH Campaign: NAB on Mission Together:** For nearly 150 years, the North American Baptist Conference of churches has actively participated in local and international missions. After seeking God's leading in prayer and consulting with missionaries, missionary partners, and North American ministry leaders, the leadership of the NAB is convinced that these projects are important as we seek a new era of international missions activities and partnerships, new visions of theological education, and renewal of the church in North America. REACH Campaign initiatives include church planting in Canada and the United States, Hydroelectric Dam in Cameroon, Theological Education, Camp Falcon Rock in Romania, Bicol Center for Christian Leadership in Philippines, Bansa Baptist Hospital Training School Expansion in Cameroon, Pastoral Formation in Canada and the United States, Missional Initiatives in Canada and the United States and preserving the history of the NAB.

**Japan Leadership Development:** Seminars are held up to four times annually to assist in training the lay leaders of the Japan Baptist Conference. Any gifts given will go to help with expenses related to these seminars, such as travel, materials and scholarships for attendance.

**Missionaries to Brazil—The Jones Family:** In the summer of 2016, Brandon and Marci Jones spent two weeks in Brazil alongside NAB Missionary Lyndell Campbell-Requia. Brandon taught a seminary class and they both had the privilege of visiting churches and church plants in the region, meeting and encouraging leaders. Upon returning home, they discerned God's call to the field and how He has equipped them both to serve as missionaries in Brazil with the NAB. They are currently raising support as NAB appointed missionaries to Brazil where Brandon will serve in the role of seminary professor.
