

The Lord will indeed give what is good, and our land will yield its harvest.  
- Psalm 85:12

Please consider donating weekly or generously throughout the month of April for our Spring Harvest: Feed the Need food drive. This will be the only food collection for the year for both Libertyville and St. Joseph's Food Pantries (this program is replacing the former Meal-A-Month program).

Food donations can be brought to the assigned table in the Narthex anytime during the month of April; alternatively items can be ordered through our Amazon wish list to be delivered directly to the church. Monetary donations will be accepted online through Realm.

Monetary donations accepted here:
