# WELCOME!

Welcome to Advent! We're glad you are here. Our goal is that you experience the presence of God all around you today; in the warm welcome of the people, in the power and beauty of the worship, in the gifts of God offered to all who come through our doors.

You are a beloved child of God. Our hope is that you will know that truth even more deeply for having spent time with the people who are Advent Lutheran Church.

There are Connection Cards located in the pew pockets in front of you. Please use these cards to share/update information, to submit a prayer request, or if you would like a pastor to contact you. Place the Connection Card in the offering plate as it goes by.

## COVID Worship Protocols

As this COVID pandemic continues to complicate things, we have new COVID worship protocols. With the new CDC recommendations for face coverings indoors, here are the new protocols:

- We highly recommend and ask all people to wear face coverings during worship. We greatly appreciate your help in providing a safer worship experience for everyone.
- All worship leaders and volunteers will wear face coverings except while leading worship from a distance.
- We are postponing the opening of the Nursery at our Suntree Campus until further notice.

All our Sunday morning worship services are live streamed on our YouTube channels and can be viewed anytime after. Visit our website for more information.

## October 2021 Sermon Series

### **Beyond Normal: The Future of the Christian Church in America.**

A phrase that gets said a lot these days is, "I just want things to go back to normal." Everyone has their meaning in using this phrase, but usually, it is said because we remember what life was like before COVID-19 and prefer that life over now. In reality, the pre-COVID "normal" had its struggles and challenges, especially the state of the Christian church in America. Overall mainline Christian churches in America have been declining in participation and membership for decades. This pandemic has accelerated the need to reevaluate who we are as a church and what God is calling us to do. One thing is for sure; we cannot go back to normal; we need to go beyond normal. As we get ready to celebrate the Reformation, we will be talking about how we as a church need to reform for the future.

### **Week 1: October 2/3**

#### **Theme: Who are we?**

We need to remember who we are before we figure out what and where God wants us to do and go. We are forgiven children of God! Embracing that God chose us and sent Jesus to die for our sins, we can fully live into our identity as a forgiven child of God.

## Food Pantry

This week, Advent's Food Pantry served 31 families representing 104 individuals. We distributed 49 bags of food and saw 1 new family. Current needs: soup, canned tuna.
