

CALIFORNIA AB 1826

# **MANDATORY ORGANIC RECYCLING**

Effective January 1, 2019, businesses and multifamily dwellings of 5 or more units that generate 4 cubic yards or more of solid waste per week shall arrange for organic waste collection services.

Organics include food scraps, clean/non-hazardous wood waste, landscape and pruning waste.

**To comply, contact EDCO at 562-597-0608  
to set up an organics recycling service.**
