

PARISH SUPPORT PROGRAM FOR MENTAL HEALTH MINISTRY

Mental health issues afflict more than one in five U.S. adults, and one in three youth or adolescents. At this important time, the Church can walk with those who are struggling in a special way.

All Archdiocese of San Antonio parishes are invited to apply for grants of up to \$2,000 to support parish-based Mental Health Ministries. Parishes may use funds for training of a ministry team, gatherings, signage and hospitality, emergency preparedness materials, and any other needs that support formation or ongoing efforts for Mental Health Ministry.

**The application
deadline is March 29.**
