What is God's plan for marriage? How does the Church discern the status of marriages? What is an annulment? What do I need to know about the annulment process? How do we welcome those who are divorced? When is the right time to talk about prior marriages? How do divorce and remarriage impact participation in the Rites? Who needs to have marriages convalidated before receiving sacraments of initiation?

The answers to these questions and many more will be addressed in this dynamic workshop.
Translation in Spanish will be available. *Traducción en español estará disponible.*

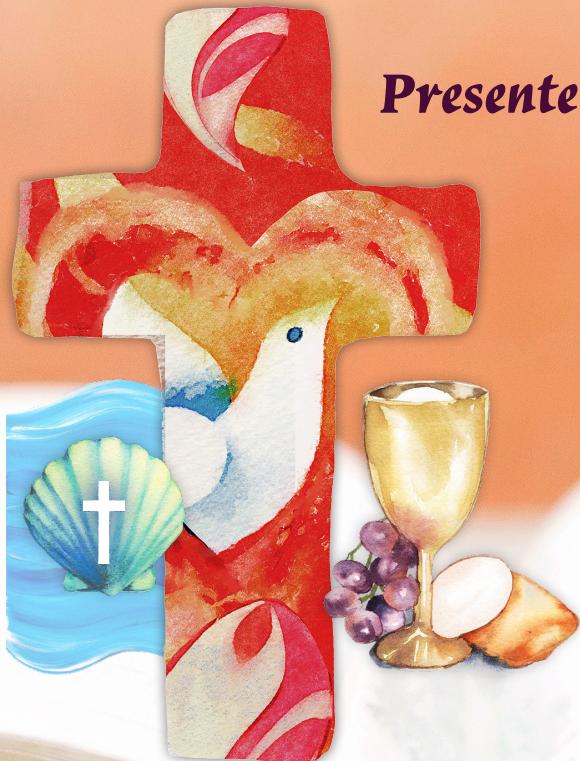

Presented by:

Fr. Krikor G. Chahin, JCD
