The Way of the Shaman®

Shamanic Journeying, Power and Healing
The Basic Workshop in Core Shamanism

taught by **Timothy Cope**

During this experiential workshop participants are introduced to core shamanism, the universal and near-universal, and common methods of the shaman to enter non-ordinary reality for problem solving and healing. Particular emphasis is put on the classic shamanic journey, one of the most remarkable visionary methods used by humanity to explore the hidden universe otherwise known mainly through myth and dream. Participants are initiated into shamanic journeying, aided by drumming and other techniques for experiencing the shamanic state of consciousness and for awakening dormant spiritual abilities. They will learn how the journey is utilized to restore spiritual power and health and how shamanism can be applied in contemporary life to help heal oneself, others, and the planet. Completion of this workshop qualifies participants to take more advanced
