doodad™ is a captivating card game that requires strategy, creativity and a bit of malicious maneuvering. The object of the game is to spell 'doodad' with the Letter cards you collect – with the challenging twist that you can't put one Letter card next to another unless the symbol and/or color on the cards match. The dastardly Strike card allows you to steal cards from your opponents and ruin their best-laid plans, but remember that turnabout is fair play! The first player to score six tokens wins!

Play it safe with a quick easy score... or go all in with a more difficult scheme to get extra points!

### how do you doodad?

item # 3008

Can you spot a card that does not match any of the symbols revealed on the 3 dice? When the dice tumble through the Cryptid Dice Tower every player makes a fast and frenzied attempt to find a card from their hand to slam onto the table while shouting "NOT IT!" If you are last you must keep your card ... If you play a wrong card and get caught, you must take a penalty. The first player to score the most points by getting rid of their cards and catching opponents playing wrong cards, is the Cryptid Hunters Champion!
