

Welcome Back, Crescendo Families!

Dear Crescendo Families,

Welcome back! I hope you've all had a wonderful summer filled with sunshine, relaxation, and plenty of time to make memories together. It was lovely to see many of you at the studio over the summer, as we wrote songs together, played some new (and some old) tunes together and created even more music memories together! As we get ready to fill our studios with music once again, I wanted to take a moment to say how excited we are to welcome you (or welcome you back) to Crescendo Music Studios!

We are especially excited to be entering our 21st year serving our music community. Twenty-one years of lessons, concerts, performances, new friendships, milestones, and countless moments of musical growth is something we are so incredibly proud of, and it simply would not be possible without the amazing families who have supported Crescendo along the way.

Thank you for choosing Crescendo, for trusting us with your children's music learning journey and for being such an important part of our Crescendo family. Your continued support means more than you know, and we are so excited about the year ahead of us!

Regular lessons will be getting underway on August 26th, 2026. Please keep an eye on your email for your specific start date, as private lessons and group classes will begin on different dates. We'll make sure you have all the details you need...just watch your inbox!

Whether this is your first year with us or you've been part of the Crescendo family for many years, we can't wait to see you back in the studio! We're looking forward to another wonderful year of learning, creating, performing and, most of all, making music together.

Here's to our bright year ahead!

Warmest Regards,
Leanne
