

Donation Items for Camp – Call to Worship

We are asking that each church donate, whether by bringing to camp or sending via the Amazon wishlist, at least, one item per person attending camp. These items will also serve as part of our call to worship each evening.

Different Ways to Donate Items

1. Items purchased via the Maryville College Amazon Wishlist***

[Maryville College Scots Supplies Closet Amazon Wishlist](#)

Maryville College Scots Closet Letter

Hello!

Thank you so much for your interest in donating to Scot's Supplies at Maryville College. We are absolutely thrilled to have your support for our community!

Scot's Supplies is a resource for our students on campus throughout the year. Recognizing that some of our students experience barriers to accessing basic needs, we work to be able to provide for as many of those needs as possible. Some of the things we try to keep stocked are various food options, season-appropriate clothing, hygiene products, and academic supplies.

Below, you will find some loose guidelines as to things we are really looking for and items that our students really love. We have an Amazon wishlist that you are welcome to purchase directly from, search elsewhere for, or use as ideas for other things.

Any and all donations are appreciated – whether they are on the Amazon list or not. If you think of other things, or have other items already collected to donate, we are so grateful for anything you choose to bring. You may just give us ideas that we hadn't thought of yet!

Priority items:

- Peanut butter
- Canned meats and other proteins
- Allergy friendly options

Items that go *fast*:

- Juice pouches
- Microwave popcorn
- Poptarts
- Protein Shakes
- High-calorie snacks

Thank you again for any support you are able to offer. We deeply appreciate your consideration for our community. If you have any specific questions, please don't hesitate to reach out!
