

KINGDOM OF GOD PHOTO SCAVENGER HUNT

INSTRUCTIONS

This summer we are talking about the Parables in worship. Each parable is a story Jesus uses to talk about the kingdom of God. That's a big idea, and something that might be confusing to many of us. What exactly is the kingdom of God...or rather...what is it like? That's what you get to help us figure out this summer!

Jesus spends a lot of time telling us that the kingdom of God is already here, all around us; sometimes we just need to be reminded where to look. This summer, I invite you to join in on the PRBC Kingdom Scavenger Hunt. Below you will find a key for all the things to look for in the world around you to find where the kingdom of God is at hand. Snap a photo, print it out and attach it to your sheet. When you've found all the pictures, return it to Caleb for a special prize, and keep the camera as a reminder to always be on the lookout for the Kingdom of God in the world around you!

Remember to stay safe while taking photos and avoid any shot that puts you or others in danger. Always ask for permission before photographing anyone.
