

Dear Friend,

Please join me in supporting a great organization. Impact100 MD has given out \$864,000 in high impact grants to local nonprofits over the past 6 years, transforming lives in our community. In addition, they host some great events for members and friends, bringing together women from all walks of life with one thing in common, a commitment to philanthropy. Below is a link to their website so you can read about their grants and what they've accomplished. If you have questions, let me know and I'll be happy to answer them. Their goal is to award \$300,000 in grants in 2022. I want to help make that possible, so I'm asking you to jump on board, too.

Thank you!
