

## Brian Foerster, CFA

Investment Strategist

Brian Foerster drives investment and market insights for the firm's growth, international, and global equity capabilities. In this capacity, he directs original research on relevant investment and market topics and communicates insights from this research — as well as portfolio strategy and outlook — to investors, including institutions, consultants, research analysts, and financial advisors. Mr. Foerster also engages with institutions to understand their evolving investment objectives and participates in equity product development to ensure Lord Abbett is offering competitive solutions to meet the long-term goals of our clients and prospects.

Mr. Foerster began his career at Lord Abbett in 2012. Prior to joining Lord Abbett, he served as Capital Market Strategist for Invesco, Ltd., where he worked closely with financial institutions to identify customized investment solutions. He also worked as an Investment Analyst with ING Investment Management. He has been in the financial services industry since 1995.

Mr. Foerster earned a BA in economics and english from Boston College and is the holder of the Chartered Financial Analyst® (CFA) designation.
