Lutheran Campus Ministry in Fort Collins - 805 South Shields Street Fort Collins CO, 80521

Hi everyone! I hope all are well and enjoying the beginning of this fall season. It is always so calming to see all of the trees changing colors and being able to enjoy some cooler weather (at least as cool as it has been so far, haha). I feel so blessed to have been able to attend several different congregations over the past few weeks, and am looking forward to worshiping with even more congregations in the upcoming weeks. I understand that it can be kind of confusing as to what my role encompasses so here is a brief review:

I am the informer of what is happening at LuMin to the congregations, and get to be as involved as possible in each of them. Of course this will look different in every church community, but I am hoping to be a person that the members of each congregation feel comfortable around, to worship with, learn more about LuMin, and be involved with church activities with. Please ask me all questions or concerns you may have, and I will be sure to respond to the best of my abilities. In terms of events and ways for me to be involved specifically, if you have ideas, that's awesome! Please let me know, and I would be happy to do all that I can! I will be closely watching and listening at services as well to find ways to connect with members and get involved with each church community. I am so excited to be involved and get to know everyone and let them know what's happening with LuMin. I am also the go to gal for how to get involved with LuMin. I hope to be able to have congregation members come and be present with LuMin as well, if they desire.

Peace,
Katie Nieuwlandt
Congregational Ambassador

What's Goin' on at LuMin:

The Student Laundry Service - Starting shortly after the beginning of classes, LuMin has begun its student laundry service, which allows for students to come to the LuMin building and do their laundry, with access to wifi, outlets, and space to do homework. We continue to develop services to care for low-income and housing insecure students.

LuMin Tuesdays Via Zoom - On Tuesday nights, all are welcome to come and catch up, discussing faith and what is going on in each others lives. Occasionally, Cribbage card games happen afterward (all are welcome, beginners, veterans, please come and join)!

Patio, Pizza, and People - We have a rotational pizza gathering on our back patio on Tuesdays at 5:30pm. Each week we have a small group of physically distant, socially together, people come together to talk life and faith over pizza, and discuss what we are excited about with LuMin.

The Future at LuMin:

We have some exciting of ideas that the LuMin community is wanting y'all to be excited about too!

Painting - The building that LuMin is blessed to call home is ready for a new coat of paint, and we are looking for some creative ideas for the back patio wall (a mural maybe, the same color, other). Let us know what you think would be cool, or if you would like to help out! All are welcome and invited to join us in this project.

Moving our Shed - The LuMin property currently has a patio in the back right corner of the backyard/patio area. The Lutheran Campus Ministry community is planning on creating a labyrinth in this exact spot. In order to do so, we need to move our shed. Is there a small group or congregations. Team that could help? All are welcome!
