## HAPPY SPRING!

I hope that you have a blessed Easter and have been enjoying the beautiful weather.

Lutheran Campus Ministry Fort Collins has been getting busy and excited as we get closer and closer to spring break. We were blessed to see our seniors walk this week around the CSU oval, and can't wait to continue to walk along them in their journeys (See upcoming Grad-Newsletter for more information). Lutheran Campus Ministry would like to give a big thank you to all that your congregations have done in 2021. Your generosity, prayer, and compassion are inspiring. As a student, I feel truly humbled and blessed to be a part of this faith community in partnership with your congregations.

### Pie Fest Report:

Pie Fest was phenomenal! Thank you so, so much to everybody who supported LuMin through time and effort with this event. All of the pies were delicious, and we feel so blessed to be supported by such a caring, compassionate, and generous community. The Pie Auction alone raised \$1,800. Thank you so very much for your generosity!

### Renovation Update:

Lutheran Campus Ministry is getting excited for our upcoming renovation projects. We plan to have the concrete work (front of building to provide better access) completed this spring. In terms of the kitchen and chapel renovations, we still need \$20,000. We are beyond blessed and happy to know that LuMin will be a more accessible and safe place for all.

### Student Housing Security Initiative Update:

The Student Housing Security Initiative has made some leaps and bounds in 2021! Recently, 5 apartments have been secured to provide for housing insecure students this fall (2021). It appears that this will provide enough space for 10 students.

## What's Goin' On

### Spring Retreat:

Students headed up to Sky Ranch Lutheran Camp for the weekend (April 9th - 12th). This was an amazing time away from screens and to be present with others. Lots of snow and smiles through masks!

### Drop-In Study Time:

On Tuesdays (11am-4pm), students are welcome to come to LuMin to work on school work, do laundry, and take advantage of the facilities. This is a great way for students to meet each other and work together on all things school. Covid regulations are accounted for to best keep our community safe.

### Cribbage:

Tuesday Nights at 8pm, all are welcome to play some cribbage via Zoom. This is a fun way for students to take a break from studying, and to come enjoy one another company.

### Grill and Chills:

On Wednesdays from 5-8pm, LuMin is hosting a drop in study, game, and conversation time. Burgers, hot dogs, and drinks are provided. Laundry machines are also made available!

**Worship: Sundays 5:15-6:15pm**

**Via Zoom**

**Meeting ID: 703 843 108**

**ALL ARE WELCOME!**
