

Celebrating 50 Years

**Worship on Sunday Evenings:
5:15pm via Zoom
Meeting ID: 703 843 108**

ALL ARE WELCOME!

I hope that you and your congregation are doing well and staying warm in this chilling month! **Lutheran Campus Ministry would like to first and foremost invite you to the Pi Day Pie-Fest!** This is a one hour Zoom event on March 14 at 4pm, in which we will share 5 stories about LuMin and auction off pies in-between discussions. For more information or to help make pies, please send me an email (see below) or contact **Pr. Paul Judson**. We are also excited to continue our planning for our Student Housing Initiative, that is being supported by our wider community. We thank you for your continuous financial support, prayers, and community.

Peace,

Katie Nieuwlandt

Congregational Ambassador - Lutheran Campus Ministry

Upcoming Events:

Pancake Feeds

LuMin is planning a series of pancake feeds, in which we will be sharing in community with congregations by putting on a covid safe drive-through breakfast for congregational members.

Lent Services and Suppers

Lutheran Campus Ministry is looking forward to worshiping together during lent. Each Wednesday evening, we are streaming a service from different congregations.

Before these services on Wednesday evenings, our students are welcomed to share in community over a soup supper. If you would like to provide a supper for our students on a Wednesday evening, please let me know!

Spring Retreat!

April 9th-April 12th, Lutheran Campus Ministry students are headed up to Sky Ranch Lutheran Camp to help clean up and support their work as they recover from the forest fires that went through the campus over last summer.

Ongoing Events:

Drop-in Study Time

Tuesdays from 11am-4pm and Wednesdays from 5pm-8pm, students are welcomed to the LuMin building to work on any school assignments or study together. Air purifiers and other safety measures are being taken to ensure our students safety.

Cribbage Nights

Tuesday nights at 8pm are time for cribbage via zoom! This is a fun card game where all are welcome.

Bible Study

This semester, we are continuing our weekly bible study, where all are welcome. Previously on Thursday evenings, a new time is being found for our students to meet.

During February, Fort Collins Lutheran Campus Ministry has had some awesome opportunities to share pancakes and fellowship with our wider community.

- (1) On February 14th, a couple of students from LuMin as well as a student from UNC's Lutheran campus ministry were able to help with a pancake feed at Our Savior's Lutheran Church (Greeley).**
- (2) On Shrove Tuesday, LuMin hosted a pancake dinner, at the LuMin building. We were able to share in community with Trinity Lutheran Church (Fort Collins).**
