

Happy New Year! I hope all are well and feeling a sense of peace as we enter into this new year. It is humbling to look back on the year of 2020 and recognize all that our world has faced and pushed through. On behalf of Lutheran Campus Ministry, I would like to wish everyone a very healthy and peaceful new year!

Lutheran Campus Ministry has now moved completely online for the foreseeable future. We hope to keep both our students and wider community healthy and safe. Although we may not be able to see each other in person, we are able to keep connected through Zoom, and other awesome resources. We hope to be able to be back together as soon as possible (with everyone's health in mind, of course). Looking ahead into 2021, we are excited to continue our ministries with each of our supporting congregations, and with the students of CSU and Front Range CC. As always, if you have absolutely ANY questions and ideas, please let me know!

We Need Your Help!

As we move forward with our Student Housing Security Initiative, we are seeking a Real Estate Attorney or a Fair Housing Attorney who would be willing to help us out pro-bono, giving advice and some oversight. If you are interested or know someone who might be, please contact LuMin at:

Pastor Paul Judson

In this New Year, we are excited to welcome two new interns to our team at Lutheran Campus Ministry!

These interns will help support us and move us forward with the Student Housing Security Initiative that our community is very passionate about. We would also like to give a big thanks to our intern Liz, who has been with us now for three semesters, and is a light in our community.

Bible Study

During the Fall Semester, we were able to host a weekly bible study, focusing on Jesus' interactions with ordinary people. We hope to continue a study in this new spring semester.

Campfire:

From Dec 22 to Jan 12, LuMin is hosting Zoom "Campfires" Tuesdays at 4pm once per week. This is a time to connect with each other and our faith through the words of Jesus.

First-Year Support Group:

Being a first year student in college is difficult on its own, but add COVID, and it becomes even more trying and often times, isolating. This year, we are holding monthly support group Zoom meetings, where first year students can meet and talk out some of the frustrations of freshman year during a pandemic.

Over Winter Break, students were able to enjoy some family time and regroup before their new classes of the spring 2021 semester. Some events that were held

by LuMin include:

- Christmas Party
- Christmas Service
- Zoom Campfires
