ALL ARE WELCOME!

Hello and Happy Spring! I hope that all are well and enjoying the beautiful Colorado spring weather. As the school year comes to a close, LuMin is preparing for the summer and looking toward what campus ministry will look like in the next school year. As we approach this time, I write to inform your congregation that I will be stepping down from the position of Congregational Ambassador with the closing of this school year. The opportunity to serve in this position has truly been an amazing experience for both myself and my faith life. Being able to connect with different congregations and their communities was really a blessing, and I look forward to continuing these relationships outside of the role of Congregational Ambassador. Thank you for opening your doors to me through worship, bible studies, small groups, and more. I feel blessed to be welcomed so fully by the communities connected to Lutheran Campus Ministry. Thank you for all of your support, care, and wisdom. I am excited to see how LuMin's community continues to strengthen with congregations in the future.

Peace,

Katie Nieuwlandt

Congregational Ambassador

ambassador@lcmcsu.org (720) 496-6041

Renovations:

LuMin is continuing to plan and seek funding for our upcoming renovations. These renovations focus on LuMin's kitchen and sanctuary. Our community is in need of an additional \$20,000 in order to make these renovations a reality. For more information please contact Pastor Paul Judson (pastor@lcmcsu.org).

This Summer!

Looking toward the summer, we hope to have events planned soon. First, we hope to get through finals. During finals week, our students are welcome to drop by LuMin for study hours, snacks, and fellowship.

Student Housing Initiative:

LuMin is excited to announce that apartments have been secured to provide to students for housing insecure students in the fall semester of 2021. This providing housing for 10 students is extremely exciting step in Lutheran Campus Ministry's journey, and we cannot wait to see what the future holds.
