

Hello Everyone!

Wow, fall came fast and so did the snow! I hope you are all doing well and staying warm. October sure did go by fast, but I am glad to have been able to meet so many of you and worship with y'all over the past few weeks, and look forward to more of it!

I am excited to be a part of your small groups, bible studies, worship services, and zoom gatherings; it is so great to connect with y'all and learn more about your communities.

As always, if you have questions, opportunities, or ideas, please let me know, and I will be happy to listen and help!

Peace,

Katie Nieuwlandt - Congregational Ambassador

## What's Next:

**Painting** - LuMin is blessed ready for a new coat of paint, and we are looking for some creative ideas for the back patio wall (a mural maybe, the same color, other). Let us know what you think would be cool, or if you would like to help out! (See email address below). All are welcome and invited to join us in this project.

**Moving our Shed** - The Lutheran Campus Ministry community is planning on creating a labyrinth in this exact spot. In order to do so, we need to move our shed. Is there a small group or congregations. Team that could help? All are welcome! (See email address below).

## What's Goin' on at LuMin:

**The Student Laundry Service** - LuMin is continuing its Student Laundry Service, which allows for students to come to the LuMin building and do their laundry, with access to wifi, outlets, and space to do homework. We have some of our awesome team in the building to help out on these days, and are excited to learn more about our community. We continue to develop services to care for low-income and housing insecure students.

**LuMin Tuesdays Via Zoom** - On Tuesday evenings at 7pm, we are having a virtual gathering to discuss all things school, faith, family, and friends. Occasionally, Cribbage card games happen afterward (all are welcome, beginners, veterans, please come and join)! This has been a great time to get to know our LuMin family and be a support to each other. All are welcome!

**Patio, Pizza, and People** - We have a rotational pizza (Krazy Karls) gathering on our back patio on Tuesdays at 5:30pm. Each week we have a small group of physically distant, socially together, people come together to talk life and faith over pizza, and discuss what we are excited about with LuMin. This has been a fun laid-back time to reflect on our troubles, joys, and hopes.

**Bible Study Thursdays** - All are welcome, so please come and share in some great conversations! If you would like to join in please email me and I will make sure to send you the Link for this. (See email address below). On Thursdays at 5pm, we are holding weekly bible studies, in which we discuss Jesus's encounters with ordinary people. Each week is led by a different person, so don't worry about missing a week (each week has a new topic).

**Avatar Support Group** - On Thursday nights at 8pm we hold a TV and support time, where students gather virtually to watch episodes of Avatar: The Last Airbender, and catch up. All are welcome. This is held via our Discord page.

**NOVEMBER 7th : FALL CLEAN UP** - On Nov 7th, LuMin will be participating in a Fall Clean Up, in which we will be providing yard services for the community from 8am-3pm. All are Welcome! Please let me know if you would like to be involved! (See email address below).
