---

- 1. Why have you decided to seek a position on the Board?** Since moving to Seis Lagos I have made it my duty to let others know that I am here to help! Whether it's through volunteering at events, helping with donation drives, or pitching in to help administratively I am here! Serving on the board would give me the opportunity to be part of a team that represents the best interests of our community. Seis Lagos is a wonderful community and I want to be a part of making it even better!
- 2. What attributes and qualities do you think you can bring to the Board?** I will bring fairness, diplomacy, and creative ideas and solutions. I am someone who does not act on emotion or get easily flustered. I am patient, kind, and respectful of others opinions and ideas. I will abide by the collective voice of the community. There is no "I" in team!
- 3. Do you have any previous experience on governing bodies that you feel would be beneficial and could bring to the Board?** Not specifically with governing bodies but I do have experience with contractual and regulatory governance as it relates to technology assets.
- 4. Please comment and give your views on the enforcement of the Covenants of Seis Lagos:** The covenants have been a part of Seis Lagos since inception and must be upheld. They not only protect the value of our community but they preserve and enhance it as well.
- 5. What are the top issues that you feel are most important to the community of Seis Lagos?** Transparency and integrity while maintaining fairness and a collective voice for the community.

6. **Are you willing to attend a planning meeting and the HOA general meeting once a month?** I will attend any and all meetings necessary to fulfill my responsibilities to the board.
