

Greenhouse Raising at St. Paul's, Holyoke

Saturday, March 7, 2020
3:00pm

485 Appleton St.
Holyoke, MA 01040

We're building a greenhouse for a community garden at St. Paul's Church and you're invited to help!

Please join us at St. Paul's Episcopal Church in Holyoke on Saturday, March 7th at 3pm as we kick off the first season of Jeremiah's Garden/ El Jardín de Jeremías.

With this garden, we plan to grow the ingredients for sofrito, the mix of garlic, pepper, onion and herbs that flavors much of Puerto Rican cuisine. The greenhouse will help us start seeds earlier so we can eat together sooner!

We will have activities for all ages, from helping to build the greenhouse, to planting seeds. Water and snacks will be provided. You are welcome to stay for as much or as little as you like. We will have our monthly Family Mass in the Sanctuary at 5:30pm to give thanks for the gift of community. All are welcome! ¡Todos bienvenidos!

For more information, please email: garden@stpaulsholyoke.org or call 413-532-5060.

There is parking at our Locust St. entrance behind the church.
