

# PRAYER FOR REVIVAL

Dear Lord, we ask that you pour out your Spirit on all of us - whether we are Christian leaders or followers, or one-time followers who have grown weary. We need a reawakening to the desperate need we have to stand transparent before you and to give your Holy Spirit permission to search out the inner thoughts of our hearts. We need to repent not only individually, but as the Body of Christ for the careless ways into which so many of us have slipped.

Help us to remember the spiritual heights from whence we have fallen and revive in us the desire to return to you and your will for us. Help us to seek your face and remember that we are your representatives here on earth. Those who do not know you are dependent on us to learn who you are. Help us to feel anew your love for us and reflect that love to others. Lord we pray that you would revive the hearts of all believers and especially those who have left their first love, become involved in a distorted gospel, fallen into legalism, or become lukewarm.

In this upcoming revival, send your Holy Spirit to draw us again into a right relationship with you and with each other. Give birth in each of us to a desire to be used by you to bring about a little revival and spiritual awakening in the tiny corner of the world where you have placed us. Revive in our hearts a spirit of unity in Christ so that we may be identified by others as followers of Jesus--those committed to sharing his Love in the world.

Send your Spirit also, we pray, upon all of those who may be drawn to this Revival who do not yet know you. Open their hearts so that they may hear your words and feel the power of your love. Instill in them the hunger for that Love, so that they will want to know you better. Send a mighty harvest Lord at this Revival in our small corner of the world.

Revive your people we pray and turn the hearts of all your people back to yourself. In Jesus' name we pray.

AMEN

--The Worcester Revival Team
