

# Fall check-up 4 Digital Ministry

## church website

- Is your webmaster attentive to seasonal changes on the homepage of your website?
- Do rector & senior warden have access to user name and password?
- Is payment for the domain name set to roll-over automatically on a church credit card?
- Need a new webhost? Need to build a new site? Call 413.737.4786, ext. 124 for advice and support.

## Getting the most out of Facebook ?

- When was the last post on your FB page or group? Change of cover photo?
- Look at your 2018-2019 events. Decide which should have FB Events and who is responsible for creating them.
- Are you uploading the rector's sermons weekly using the "NOTE" option?

## Digital Hospitality

- Is your WiFi password in the bulletin?
- If you invite folks to silence mobile devices, why not invite them to "check-in" on Facebook?
- Have you considered adding a charging station at Coffee Hour?
