

NAME, IMAGE, & LIKENESS PERMISSION FORM

Piedmont Public Schools is providing students the opportunity to participate in the Piedmont Public Schools NIL Marketplace. This platform allows students to create a profile and connect with potential businesses and community partners for Name, Image, & Likeness (NIL) opportunities, consistent with Oklahoma Secondary School Activities Association (OSSAA) guidelines.

Participation in the NIL Marketplace is voluntary. No student is required to participate and participation will not impact athletic eligibility or team standing. Students under the age of 18 must have parent/guardian permission before creating a profile and engaging in NIL activities.
