Your participation will help fund programs and services for children and adults with disabilities in our community!

(Burlington County Cerebral Palsy Association)

A United Way Partner Agency

Why should you help?

For people with cerebral palsy or other disabilities, each morning brings another day of many challenges. For these families, simple tasks that most of us take for granted—like hurrying to brush our teeth, walking downstairs and rushing out to start our day—are physically demanding undertakings that require time, patience ... and lots of practice.

For over 60 years, Githens Center has provided programs and services that help meet the physical, educational, therapeutic and social needs of individuals with cerebral palsy or other disabilities and their families in the Burlington County area.

Our goal is for every person with disabilities to achieve his or her potential!

Your support will help us continue to provide ...

- An adult day program
- An after-school/extended day program
- A teen-age/adult day recreation program
- In-home and Saturday respite program
- Afternoon care/emergency relief program
- Community integration program
