Praise Profile: Exemplary Efforts Acknowledged

In the spirit of fostering a culture of appreciation and recognition within the agency, we are continuing to select a note of Praise each month from the [Ohio Department of Commerce Teams channel](#) to highlight the exceptional efforts of team members who have gone above and beyond at work.

Recently, Ted Pyles, Mark Meade, and Stephen Altman of General Services received well-deserved recognition for their outstanding teamwork and dedication from Rick Selegue, Chief Bedding Inspector, in DIC. Ted, Mark, and Stephen were commended for their proactive assistance in moving office furniture in DIC, demonstrating their commitment to supporting their colleagues when needed.

“You guys are always willing to help when needed. I appreciate your positive energy and attitude.” Rick remarked.

This collaborative and supportive approach reflects the core values and IMPACT they are making around Commerce. Thank you to Ted, Mark, and Stephen for creating a positive work environment for all.

Do you have a colleague demonstrating excellence? Send them a note of Praise on the [Ohio Department of Commerce Teams channel](#) today!
