November Praise Profile: Meet Sakthidevi!

Once a month in Commerce Connects, we turn the spotlight on one of our outstanding colleagues who have received Praise in the [Department of Commerce Teams Channel](#). This time, we're introducing you to someone who's been described as "AWESOME" by one of her colleagues – Sakthidevi Rajadurai, Software Development Specialist in IT.

Ivana Bogdanovska praised Sakthidevi by saying "She's always kind, communicative, and helpful. Thanks for everything you do Sakthi!"

Sakthidevi has a knack for tackling challenges head-on. She has collaborated with various teams on several occasions to process public records requests that require IT's expertise. Regardless of the complexity of the task, Sakthidevi takes it up with a positive attitude and a determination to find the best possible solution.

As we continue to celebrate and encourage a culture of recognition, we hope Sakthidevi's Praise Profile inspires you. We all bring something unique to the table, and together, we achieve great things at Commerce—so tell us about someone today in the [Department of Commerce Teams Channel](#). They may be featured in the next Praise Profile!
