Leave Conversion Period Open

Starting Monday, Nov. 6 at 7 a.m., eligible employees will be able to access the Leave Conversion page through the myOhio.gov portal. You will be able to make your elections through 4 p.m. on November 13.

The leave conversion payment will be included in the paycheck issued on December 1. If you wish to defer any part of your December Leave Conversion to Deferred Compensation, you should contact Deferred Compensation by November 9, 2023.

NOTE: If you do not remember your MyOhio.gov password, please call the OAKS Help Desk at 1-888-644-6625 **before November 6** to avoid long wait times.
