How it works: A STaC Tournament is essentially a SECTIONAL Tournament except that the individual sections take place at individual clubs, at or about the same time, instead of together at one large location. Every game at every participating club you attend within District 7 and District 10 during STaC Week may be part of the tournament. The results of the game you play in will be combined with the results from all of the other clubs playing at the same time and one giant OVERALL will be tallied. Let's say that Columbia, Charlotte, Aiken and Raleigh are all playing at the same time. Scoring is first done on a club-by-club basis and SILVER points awarded for each section. Then the results of all four games are combined as if everyone were playing under one roof. The highest percentage score is first overall, next highest is second overall and so forth. Because you are competing against so many additional people, you can earn a lot of points. All of them, whether they are section awards or overall awards, will be SILVER points.
