

Dear Preschool Committee, Our Savior's members and leaders,
Pastor David and Pastor Deb,

It is with mixed emotions that I am informing you of my resignation. Sometimes life throws you a curve ball and life just did to me and my family. We will be relocating to Minnesota over the summer. I have loved every minute of working at the preschool and will miss it tremendously. The staff, the families and kids have become an extended family to me.

My husband received a job offer that we just couldn't pass up. That coupled with the fact this new job is located within an hour of my parents, sisters, niece, and nephews made relocating sound better. My kids will be able to grow up with their cousins, a dream that I have always had. Those who know me personally will recall we travel to Minnesota for a month every summer to spend time with my family. Now we will be able to spend even more time with them!

So, when you see me start to choke up a little, just know I am happy and sad at the same time. God has great plans for the preschool and my family.

It has been an honor working with you all in performing this work along with the Church. I've learned so much and enjoyed this time that it is going to be very hard to step away. But this change for my family is just something we could not pass up on. It will be sad to leave, but I know we are leaving on a great moment for the preschool, and the future looks bright for the students, families and church alike.

Blessings and thanks for a wonderful year,
Dana Lambert
