WASHINGTON FOOD FACTS:

Families and communities can also use help with meals this Holiday Season, and prices are rising

Cost of feeding a Family of Four:
\$208/week

Cost of Feeding a Family of 10:
\$510/week

Average Holiday Meal Cost for a
Gathering of Ten: \$71.02

Based on average 2022 numbers. Due to inflation, the cost of groceries has gone up by an average of 8% and will be up to almost 11% for holiday specific food this year.

YOUTH INVOLVEMENT:

All ages of Our Savior's Youth are excited to be part of the Holiday Food and December Warm Clothing Drives. They will be helping to collect items and gifts before and after worship each Sunday, promote, aid in Stuff The Bus events, sort at the food bank, and hand out items to families in need.

You can catch our Youth Group Students at the Mill Creek QFC on December 9th from 10-1:30. Shop and Support- donations will be accepted at the doors of the store!

Keep an eye on announcements and social media to find more places where you can show support for these amazing youth as they support their communities.
