All Week Monday Tuesday Wednesday Thursday

My child(ren) will need Nursery Care on the days that I volunteer:

Name/Age 1. _____ 2. _____

- **Crew Leader:** Greet your small group of approximately 10 children each morning and “guide” them through five stations each day, participating and assisting as needed. We need many crew leaders! ***Please list the age (preschool-5th grade) you prefer to work with.***
- **Crafts:** At Imagination Station, you will help kids dive into exciting experiments that connect to the day's Bible story and theme. Each day includes a fun science experiment children can take home to keep the imaginative fun and learning going, even after they leave.
- **Games:** Lead children in games that connect with the daily Bible point.
- **KidVid Cinema:** In this station, the daily Bible verse is reinforced as children watch as discuss the true story featured in each day's video segment.
- **Wild Bible Adventures:** Kids experience the daily Bible story in a hands-on way. Leaders guide small-group discussions where kids connect their unforgettable Bible experiences in real life.
- **Hungry Herd Café:** Help kids make and eat snacks that connect to the key Bible verse and the daily message. Leaders guide kids in discussing the Bible connection during snack time.
- **Decorations:** Assist Taryn with planning and executing themed decorating of all VBS spaces. Roles may involve purchasing materials, completing projects, hanging decorations, painting and using your creativity! Availability August 11th and a few earlier work days is a plus!
- **Audio Visual Tech:** Role may include taking photos, creating slideshows, showing Power Point slides, running sound, and cueing music during Sing & Play Roar and Safari Celebration.
