

Christmas Food Basket 2018

Due December 9

Thanks for volunteering to support a family. Here are just a few helpful reminders.

- Please use only non-perishable items, canned or dry.
- Food is for the holiday meal and for a week's worth of other staples.
- **Remember** that the size and ages of your family will determine the size and amount of food you need to include. For example, a small family needs one can of vegetables or fruit per meal, small packages of jello and pasta, one or two cans of tuna. A large family will need at least two cans of vegetables and fruit per meal, and large packages of jello and pasta. If your family includes a baby, teens, or an elderly person consider this in food choices and quantity.

Christmas Food List

Family # _____

Size: ☐ Small ☐ Medium ☐ Large

with ☐ Baby ☐ Teens ☐ Elderly Info: _____

(Please purchase all item in the first two columns)
