

Dialogues on Sexuality

"The church is uniquely equipped to bring healing, hope, and wholeness to a hurting world. Ours is a faith built on the belief that we are all created in the image of God. We know that faith is not only believing in God, but also doing the work of God in the world."-Dialogues on Sexuality Facilitator Guide, 2019 Sparkhouse

As we work together to appreciate the Image of God within us all, we long for the church to be a place of discovery and grace in a world that is quick to judge and stereotype. This course gives the opportunity to learn more about the complexities of human sexuality by reading thoughtful essays from a variety of sources and hearing faith leaders share their experiences through video. All while reflecting on the Bible and our Faith in Jesus as our guiding light.
