

Spring Flowers for Easter Sunday

Members and friends of Our Savior's are invited to bring a plant to add to the beauty of our Easter worship services. Plants may be given in thanks for the life of a loved one, in honor of someone, in celebration of blessings received, and/or to the Glory of God.

Plants to consider: azaleas, mums, hydrangeas, tulips, daffodils.

Lilies are beautiful, but some report allergic reactions and have asked us to encourage alternatives.

Join us as we beautify our sanctuary with spring flowers for this holy season.

Please return this form by Sunday, April 14.

I will supply _____ plants.

Given by: _____

Please indicate if the flowers you are bringing are:

In Memory of _____

OR

In Honor of _____

Please deliver plants during Holy Week to the Conference Room by 11:30am on Friday, April 19.
