Volunteers will receive training the day of PIT Count and will go out in teams of 2-3 to conduct surveys in assigned zones. Volunteer shifts will be approximately 3 hours, including a 30 minute training.

The staging area for the 2019 PIT Count in Everett will be located at The Salvation Army (2525 Rucker Ave, Everett). The staging area will be open to volunteers from 8am to 8pm on January 23, 2019 and will be a training area for volunteers as well as a place for households seeking assistance to speak with a service provider.
