

TOOLS FOR THE CHURCH IN AN UNCERTAIN TIME:

REIMAGINING COMMUNITY

Saturday, October 16 | 9 a.m.-12 noon

Gustavus Adolphus Lutheran Church - 1669 Arcade Street North, St. Paul

Is your congregation a vital congregation? Through interactive learning, the Saint Paul Area Synod will help your leadership team:

- Identify strengths in your congregation and community (asset mapping)
- Adapt effective tools to devise an active listening plan for your own ministry setting
- Discover how to lead fruitful spiritual listening conversations

Who Should Attend: Congregations should send a pastor and a small group of lay leaders from outreach/evangelism committees or church council (max of 6-8 people). Vaccinated, mask-wearing participants are welcome! No food/beverages will be served.

Registration: There's no cost to attend, but please register so we know who to expect! When possible, have one person from your team register all participants from your congregation.
