

Hour of Operation  
Sunday place request 315-685-3512  
Pick up Tuesday 9-9:45

The Skaneateles Pantry has been open the entire time this past year serving members of our community who live in the Village, Town or School District. We have tailored our hours some and all needs have been met. Should this time might be inconvenient, a different pick up can be arranged. Do not feel uncomfortable in asking for help as it is a confidential service.

To keep our Pantry shelves filled we have been recipients of the amazing Boy Scouts' Scouting for Food, The Rotarian's loyalty, Carolina and her cereal and snack drive, Diane and Kate Aberi's Day of Service food collection, and the receipts from the Rotarian's Winterfest. Tops and the Bakery keep our clients' sweet tooth well satisfied.

For the past and future holidays the baskets have been replaced with generous gift cards so everyone remains safe and all food choices are their own.

Our donation checks, Turkey Trot and remote Rotarian Turkey Dinner events all have been the true backbone to our success this year. It has allowed us to stock items that our clients enjoy.

Just a note SNAP Benefits were increased by 15% this last year but end on September 30<sup>th</sup>. Continued Covid checks to all ages has also helped our clients out immensely. On July 1<sup>st</sup> new income guidelines will be out and all clients will need to reregister just like in the past.

Donations are welcomed but the Bus Garage is locked please go to the front and your donation can be received. Please do not leave food unattended at the side door.
