

News from the Outreach Office
Jacque McConnaghy & Jean Babbles

We would like to thank everyone in the community that supported our Holiday Basket Program this year. We had nearly 40 families with close to 100 children that got to enjoy the magic of the season because of this community's generosity. A special thank you to the Rotary Club, the festive fundraising dinner was a huge success, and we are grateful for their donation. We would like to thank the many individuals and groups who made donations, adopted families, dropped off toys, stocking stuffers, gift cards and gas cards. It is only through the community's support that we can assist those in need not only during the holidays but the whole year through.

Thank you to the Presbyterian Women of the Congregation for the invitation to speak at the annual brown bag luncheon. It was wonderful to see so many come out to learn more about what Outreach does and we are grateful for the donations collected.

We manage a medical loan closet which has equipment for members of the community to borrow. If in need of crutches, wheelchairs etc. check with us, we have a wide selection of items to borrow. We are currently looking for donations of shower chairs and transport chairs.

We are available for members of our community who are experiencing difficulties and need help navigating the road ahead. If you are a resident in the Town of Skaneateles or have a child in the Skaneateles School district and find that you need assistance, please contact our office for confidential help, 315-283-4281 or email outreach@townofskaneateles.com
