

Town of Skaneateles Spring 2026 Newsletter

As sunshine and warmer weather returns to Central New York, many of us grow busier whether it be with yard chores, trips, or family celebrations. What doesn't change is our need at the Food Pantry for consistent support to keep our shelves well-stocked.

During this beautiful springtime, please continue to think of our neighbors struggling to make ends meet with inflationary pressure on not only food, but on all necessities. Ways to give are listed below. Thank you to our church partners, community organizations, and generous individuals who remember year-round those who are less fortunate.

As a case in point, we truly appreciate the Skaneateles Rotary Club supporting the pantry with its community food drive in late April. All donations stay right within our service area.

Ways to Support the Food Pantry:

- Donate non-perishable food and/or household basics to Skaneateles Ecumenical Food Pantry using our Amazon Wish List:
