

News from the Skaneateles Ecumenical Food Pantry

We are so happy to be back to our regular hours again. The pantry will be open every Tuesday morning from 10:00 to 11:00 am and every Thursday evening from 7:00 to 8:00 pm. Anyone from the Town of Skaneateles, or living in the Skaneateles School District and needs food support is eligible to come.

We offer a 3 day supply of food, including meat, dairy products, fresh fruits and fresh vegetables as well as canned and boxed goods. We also have laundry and cleaning products, diapers and personal care items.

Many of our previous volunteers have returned, along with some new faces. We ask that if you come you bring a piece of mail that has your name and current address on it to prove where you live. Also bring your own bags and a mask to wear in the pantry.

We are here to help anyone who may be food insecure at this time. This is a confidential service, and we are open in conjunction with the Town Outreach Office. The Pantry is located in the School Bus Garage (behind the Hilltop Restaurant) and our door is on the side of the building.

Please call: 315-685-3512 or 315-685-5048 if you have any questions.
