## October 2021 Newsletter

The school year has gotten off to a great start! The children are all adjusting well to their classrooms, teachers and school schedule. You have all done a wonderful job reassuring your child that you will return to reunite with them as soon as school is over. This helps build trust and also makes them feel secure and free to explore their new classroom, make new friends and develop new skills.

We had our very first visit to chapel for the year which consist of stories, songs and prayer lead by Pastor Nancy. The children did very well and it was enjoyed by all. Chapel is a monthly event and parents are always welcome. Please check with your students teacher for the day and time if you would like to attend.

Harvest will be exploding at Our Redeemer during the month of October! We will have our very own pumpkin patch and every child will get to pick their own special pumpkin to take home. Spiders, bats, owls and pumpkins are just some of the themes we will be focusing on as Halloween approaches so be on the lookout for all the adorable crafts your child will be bringing home. Children and teachers will also be celebrating the holiday by carving jack o lanterns, roasting pumpkin seeds and coming to school in their favorite costume on October 28<sup>th</sup> & 29<sup>th</sup>.

Thank you for all of your help and support as we transitioned into the new school year. I am looking forward to a fun filled year with your child!

Happy Harvest,

Peggy Schreiber, Preschool Director
