November is the month that reminds us to be thankful for all the blessings in our lives. As we

approach this season of gratitude, I want to take a moment to thank you for your continued support, trust and generosity. It's a joy and a privilege to be part of your child's early learning journey.

During chapel on November 18th & 19th we would like to ask each student to bring a non-perishable food item. Each student will take their item to chapel where we will discuss sharing with others who may be less fortunate. The food will be donated to a local food bank. On November 20th & 21st each class will have a Thanksgiving feast. This is a wonderful opportunity to talk about and teach the students about sharing, giving and being thankful for all the blessings of God.

We will be on Thanksgiving break November 24th -28th.

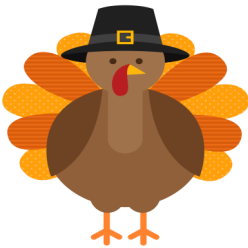

School will resume on Monday/Tuesday December 1st & 2nd.

Wishing you and your family a Thanksgiving filled with love, laughter and special moments together.

Happy Thanksgiving

Peggy Schreiber

This is a good season to talk with your children about hunger and how some children go to bed hungry every night. As a family you might come up with a plan to help with that sad truth. We will be collecting non-perishable food items throughout the month of November...

Please have your child bring one
non-perishable food item on his/her
