ClassDojo is a communication app for the classroom. It connects teachers and parents who use it to share photos, videos, and messages throughout the school day.

**Step 1: Create a ClassDojo Account**

*Download the CLASSDOJO app on your smart phone  
or create an account online <https://www.classdojo.com/>*

**Step 2: Ask for your ClassDojo code**

*Ask your child's teacher for your child's ClassDojo code  
(Every child has a unique code) or search for your child's  
classroom and connect!*

Once you create an account (or enter your code into an existing account) you will be able read and send messages, and view school stories.
